

PRESIDENCY UNIVERSITY

Private University Estd. in Karnataka State by Act No. 41 of 2013

LETTER OF RECOMMENDATION

In my capacity as a faculty from the department of Computer Science and Engineering. I feel proud to recommend **Mr.Gurram Shanmukha Sai**, who completed graduation in 2020 in Computer Science and Engineering department at Presidency University in Bangalore. I am writing this letter of recommendation to support him on his interests to pursue a Master's degree at your acclaimed university. I know him as one of the bright students whose academic records indicate excellence.

In our University, we have created a means for students to achieve greater success in their lives through education and we will always remain to support them in future endeavors. **Mr.Gurram Shanmukha Sai** seems to be promising and dedicated student with an analytical bent of mind. As a professor, I work with many students who have substantial knowledge of their subjects. Each year, I notice that only few outstanding students offer a unique perspective and make an earnest effort to embrace and carry forward what they have learnt in college. **Mr.Gurram Shanmukha Sai** is, undoubtedly, among those few.

In addition to his impressive academic performance, a special reference has to be made about his extracurricular activities. He has participated in various workshops and events during his association with our University.

Therefore, I feel extremely happy to recommend him for the well-known postgraduate program at your reputed University. Please feel free to revert for further queries.

Yours Sincerely,

 24/12/2021

Prof Bhavana . A
Department of Computer Science and Engineering
Presidency University, Bengaluru, India.
